The statement must include:

(1) the parcel number or key number of the property and the name of the city, town, or township in which the property is located;

(ii) The last five (5) digits of the individual's state identification card number.

(iii) If the individual does not have a driver's license or a state identification card, the last five (5) digits of a control number that is on a document issued to the individual by the *federal United States government and determined by the department of local government finance to be acceptable.*

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. With respect to real property, the statement must be completed and dated in the calendar year for which the person desires to obtain the deduction and filed with the county auditor on or before January 5 of the immediately succeeding calendar year. With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.

(f) If an individual who is receiving the deduction provided by this section or who otherwise qualifies property for a deduction under this section:

(1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or

(2) is no longer eligible for a deduction under this section on another parcel of property because:

(A) the individual would otherwise receive the benefit of more than one (1) deduction under this chapter; or

(B) the individual maintains the individual's principal place of

1 residence with another individual who receives a deduction
 2 under this section;
 3 the individual must file a certified statement with the auditor of the
 4 county, notifying the auditor of the change of use, not more than sixty
 5 (60) days after the date of that change. An individual who fails to file
 6 the statement required by this subsection is liable for any additional
 7 taxes that would have been due on the property if the individual had
 8 filed the statement as required by this subsection plus a civil penalty
 9 equal to ten percent (10%) of the additional taxes due. The civil penalty
 10 imposed under this subsection is in addition to any interest and
 11 penalties for a delinquent payment that might otherwise be due. One
 12 percent (1%) of the total civil penalty collected under this subsection
 13 shall be transferred by the county to the department of local
 14 government finance for use by the department in establishing and
 15 maintaining the homestead property data base under subsection (i) and,
 16 to the extent there is money remaining, for any other purposes of the
 17 department. This amount becomes part of the property tax liability for
 18 purposes of this article.

19 (g) The department of local government finance ~~shall~~ *may* adopt
 20 rules or guidelines concerning the application for a deduction under
 21 this section.

22 (h) This subsection does not apply to property in the first year for
 23 which a deduction is claimed under this section if the sole reason that
 24 a deduction is claimed on other property is that the individual or
 25 married couple maintained a principal residence at the other property
 26 on ~~March 1~~ *the assessment date* in the same year in which an
 27 application for a deduction is filed under this section or, if the
 28 application is for a homestead that is assessed as personal property, on
 29 ~~March 1~~ *the assessment date* in the immediately preceding year and the
 30 individual or married couple is moving the individual's or married
 31 couple's principal residence to the property that is the subject of the
 32 application. Except as provided in subsection (n), the county auditor
 33 may not grant an individual or a married couple a deduction under this
 34 section if:

35 (1) the individual or married couple, for the same year, claims the
 36 deduction on two (2) or more different applications for the
 37 deduction; and

38 (2) the applications claim the deduction for different property.

39 (i) The department of local government finance shall provide secure
 40 access to county auditors to a homestead property data base that
 41 includes access to the homestead owner's name and the numbers
 42 required from the homestead owner under subsection (e)(4) for the sole

purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, ~~or IC 6-3.5~~ **or IC 6-3.6-5 (after December 31, 2016).**

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

(1) a deck or patio;

(2) a gazebo; or

(3) another residential yard structure, as defined in rules *that may*

1 *be* adopted by the department of local government finance (other
 2 than a swimming pool);
 3 that is assessed as real property and attached to the dwelling.

4 (n) A county auditor shall grant an individual a deduction under this
 5 section regardless of whether the individual and the individual's spouse
 6 claim a deduction on two (2) different applications and each
 7 application claims a deduction for different property if the property
 8 owned by the individual's spouse is located outside Indiana and the
 9 individual files an affidavit with the county auditor containing the
 10 following information:

11 (1) The names of the county and state in which the individual's
 12 spouse claims a deduction substantially similar to the deduction
 13 allowed by this section.

14 (2) A statement made under penalty of perjury that the following
 15 are true:

16 (A) That the individual and the individual's spouse maintain
 17 separate principal places of residence.

18 (B) That neither the individual nor the individual's spouse has
 19 an ownership interest in the other's principal place of
 20 residence.

21 (C) That neither the individual nor the individual's spouse has,
 22 for that same year, claimed a standard or substantially similar
 23 deduction for any property other than the property maintained
 24 as a principal place of residence by the respective individuals.

25 A county auditor may require an individual or an individual's spouse to
 26 provide evidence of the accuracy of the information contained in an
 27 affidavit submitted under this subsection. The evidence required of the
 28 individual or the individual's spouse may include state income tax
 29 returns, excise tax payment information, property tax payment
 30 information, driver license information, and voter registration
 31 information.

32 (o) If:

33 (1) a property owner files a statement under subsection (e) to
 34 claim the deduction provided by this section for a particular
 35 property; and

36 (2) the county auditor receiving the filed statement determines
 37 that the property owner's property is not eligible for the deduction;

38 the county auditor shall inform the property owner of the county
 39 auditor's determination in writing. If a property owner's property is not
 40 eligible for the deduction because the county auditor has determined
 41 that the property is not the property owner's principal place of
 42 residence, the property owner may appeal the county auditor's

determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the homestead was not completed;

(3) either:

(A) the individual files the certified statement required by subsection (e) on or before December 31 of the calendar year in which the assessment date occurs to claim the deduction under this section; or

(B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead; and

(4) the individual files with the county auditor on or before December 31 of the calendar year in which the assessment date occurs a statement that:

(A) lists any other property for which the individual would otherwise receive a deduction under this section for the assessment date; *and*

(B) *cancels the deduction described in clause (A) for that property.*

An individual who satisfies the requirements of subdivisions (1) through (4) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land

or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6. *The county auditor shall cancel the deduction under this section for any property that is located in the county and is listed on the statement filed by the individual under subdivision (4). If the property listed on the statement filed under subdivision (4) is located in another county, the county auditor who receives the statement shall forward the statement to the county auditor of that other county, and the county auditor of that other county shall cancel the deduction under this section for that property.*

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

- (1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and
- (2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

- (1) is serving on active duty in any branch of the armed forces of the United States;
- (2) was ordered to transfer to a location outside Indiana; and
- (3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided

by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. However, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

SECTION 13. IC 6-1.1-18.5-1, AS AMENDED BY P.L.124-2011, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 1. As used in this chapter:

"Ad valorem property tax levy for an ensuing calendar year" means the total property taxes imposed by a civil taxing unit for current property taxes collectible in that ensuing calendar year.

"Adopting county" means any county in which the county adjusted gross income tax is in effect.

"Civil taxing unit" means any taxing unit except a school corporation.

"Maximum permissible ad valorem property tax levy for the preceding calendar year" means, for purposes of determining a maximum permissible ad valorem property tax levy under section 3 of this chapter for property taxes imposed for the March 1, 2010, and January 15, 2011, assessment dates, the maximum permissible ad valorem property tax levy for the preceding calendar year as determined under this section as effective on January 1, 2011. For purposes of determining a maximum permissible ad valorem property tax levy under section 3 of this chapter for property taxes imposed for an assessment date after January 15, 2011, the term means the civil taxing unit's maximum permissible ad valorem property tax levy for the calendar year immediately preceding the ensuing calendar year, as that levy was determined under section 3 of this chapter (regardless of whether the taxing unit imposed the entire amount of the maximum permissible ad valorem property tax levy in the immediately preceding year).

"Taxable property" means all tangible property that is subject to the

1 tax imposed by this article and is not exempt from the tax under
 2 IC 6-1.1-10 or any other law. For purposes of sections 2 and 3 of this
 3 chapter, the term "taxable property" is further defined in section 6 of
 4 this chapter.

5 SECTION 14. IC 6-1.1-18.5-3, AS AMENDED BY P.L.153-2014,
 6 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 7 JANUARY 1, 2017]: Sec. 3. (a) A civil taxing unit may not impose an
 8 ad valorem property tax levy for an ensuing calendar year that exceeds
 9 the amount determined in the last STEP of the following STEPS:

10 STEP ONE: Determine the civil taxing unit's maximum
 11 permissible ad valorem property tax levy for the preceding
 12 calendar year.

13 STEP TWO: Multiply the amount determined in STEP ONE by
 14 the amount determined in the last STEP of section 2(b) of this
 15 chapter.

16 STEP THREE: Determine the lesser of one and fifteen hundredths
 17 (1.15) or the quotient (rounded to the nearest ten-thousandth
 18 (0.0001)), of the assessed value of all taxable property subject to
 19 the civil taxing unit's ad valorem property tax levy for the ensuing
 20 calendar year, divided by the assessed value of all taxable
 21 property that is subject to the civil taxing unit's ad valorem
 22 property tax levy for the ensuing calendar year and that is
 23 contained within the geographic area that was subject to the civil
 24 taxing unit's ad valorem property tax levy in the preceding
 25 calendar year.

26 STEP FOUR: Determine the greater of the amount determined in
 27 STEP THREE or one (1).

28 STEP FIVE: Multiply the amount determined in STEP TWO by
 29 the amount determined in STEP FOUR.

30 STEP SIX: Add the amount determined under STEP TWO to the
 31 amount of an excessive levy appeal granted under section 13 of
 32 this chapter for the ensuing calendar year.

33 STEP SEVEN: Determine the greater of STEP FIVE or STEP
 34 SIX.

35 (b) ~~This subsection applies only to property taxes first due and~~
 36 ~~payable after December 31, 2007. This subsection applies only to a~~
 37 ~~civil taxing unit that is located in a county for which:~~

38 ~~(1) a county adjusted gross income tax rate is first imposed or is~~
 39 ~~increased in a particular year under IC 6-3.5-1.1-24; or~~

40 ~~(2) a county option income tax rate is first imposed or is increased~~
 41 ~~in a particular year under IC 6-3.5-6-30;~~

42 ~~to provide property tax relief in the county that is covered by~~

IC 6-3.6-11-1. Notwithstanding any provision in this section, any other section of this chapter, or IC 12-20-21-3.2, and except as provided in subsection (c), the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for a civil taxing unit subject to this section is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year.

(c) ~~This subsection applies only to property taxes first due and payable after December 31, 2007.~~ In the case of a civil taxing unit that:

(1) is partially located in a county ~~for which a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30 to provide property tax relief in the county; that is covered by IC 6-3.6-11-1;~~ and

(2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (b), adjust the portion of the civil taxing unit's maximum permissible ad valorem property tax levy that is attributable (as determined by the department of local government finance) to the county or counties described in subdivision (2). The department of local government finance shall adjust this portion of the civil taxing unit's maximum permissible ad valorem property tax levy so that, notwithstanding subsection (b), this portion is allowed to increase as otherwise provided in this section. If the department of local government finance increases the civil taxing unit's maximum permissible ad valorem property tax levy under this subsection, any additional property taxes imposed by the civil taxing unit under the adjustment shall be paid only by the taxpayers in the county or counties described in subdivision (2).

SECTION 15. IC 6-1.1-18.5-13, AS AMENDED BY P.L.245-2015, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional

geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

(A) the cost of personal services (including fringe benefits);

(B) the cost of supplies; and

(C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property under IC 6-1.1-4-4 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing

unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this

chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a

civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008.

1 Permission to a civil taxing unit to increase the unit's levy in
 2 excess of the limitations established under section 3 of this
 3 chapter if the local government tax control board finds that:

4 (A) the civil taxing unit is:

5 (i) a county having a population of more than one hundred
 6 seventy thousand (170,000) but less than one hundred
 7 seventy-five thousand (175,000);

8 (ii) a city having a population of more than sixty-five
 9 thousand (65,000) but less than seventy thousand (70,000);

10 (iii) a city having a population of more than twenty-nine
 11 thousand five hundred (29,500) but less than twenty-nine
 12 thousand six hundred (29,600);

13 (iv) a city having a population of more than thirteen
 14 thousand four hundred fifty (13,450) but less than thirteen
 15 thousand five hundred (13,500); or

16 (v) a city having a population of more than eight thousand
 17 seven hundred (8,700) but less than nine thousand (9,000);
 18 and

19 (B) the increase is necessary to provide funding to undertake
 20 removal (as defined in IC 13-11-2-187) and remedial action
 21 (as defined in IC 13-11-2-185) relating to hazardous
 22 substances (as defined in IC 13-11-2-98) in solid waste
 23 disposal facilities or industrial sites in the civil taxing unit that
 24 have become a menace to the public health and welfare.

25 The maximum increase that the local government tax control
 26 board may recommend for such a civil taxing unit is the levy that
 27 would result from a property tax rate of six and sixty-seven
 28 hundredths cents (\$0.0667) for each one hundred dollars (\$100)
 29 of assessed valuation. For purposes of computing the ad valorem
 30 property tax levy limit imposed on a civil taxing unit under
 31 section 3 of this chapter, the civil taxing unit's ad valorem
 32 property tax levy for a particular year does not include that part of
 33 the levy imposed under this subdivision. In addition, a property
 34 tax increase permitted under this subdivision may be imposed for
 35 only two (2) calendar years.

36 (9) A levy increase may not be granted under this subdivision for
 37 property taxes first due and payable after December 31, 2008.
 38 Permission for a county:

39 (A) having a population of more than eighty thousand (80,000)
 40 but less than ninety thousand (90,000) to increase the county's
 41 levy in excess of the limitations established under section 3 of
 42 this chapter, if the local government tax control board finds

that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

(i) was issued by a federal district court; and

(ii) has not been terminated;

(C) that operates a county jail that fails to meet:

(i) American Correctional Association Jail Construction Standards; and

(ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants

to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) Permission to a city having a population of more than thirty-one thousand five hundred (31,500) but less than thirty-one thousand seven hundred twenty-five (31,725) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 **(repealed)** in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 **(repealed)** that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(12) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

(13) Permission to Jefferson County to increase its levy in excess of the limitations established under section 3 of this chapter if the department finds that the county experienced a property tax revenue shortfall that resulted from an erroneous estimate of the effect of the supplemental deduction under IC 6-1.1-12-37.5 on the county's assessed valuation. An appeal for a levy increase under this subdivision may not be denied because of the amount of cash balances in county funds. The maximum increase in the county's levy that may be approved under this subdivision is three hundred thousand dollars (\$300,000).

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

(c) In calendar year 2013, the department of local government finance shall allow a township to increase its maximum permissible ad valorem property tax levy in excess of the limitations established under section 3 of this chapter, if the township:

(1) petitions the department for the levy increase on a form prescribed by the department; and

(2) submits proof of the amount borrowed in 2012 or 2013, but not both, under IC 36-6-6-14 to furnish fire protection for the township or a part of the township.

The maximum increase in a township's levy that may be allowed under this subsection is the amount borrowed by the township under IC 36-6-6-14 in the year for which proof was submitted under subdivision (2). An increase allowed under this subsection applies to property taxes first due and payable after December 31, 2013.

SECTION 16. IC 6-1.1-18.5-18 IS REPEALED [EFFECTIVE JANUARY 1, 2017]. ~~Sec. 18: (a) If a provision of the prior property tax control law for civil taxing units (IC 6-3.5-1) has been replaced in the same form or in a restated form by a provision of this chapter, then a citation to the provision of the prior law shall be construed as a citation to the corresponding provision of this chapter:~~

~~(b) Any rule adopted under, and applicable to, the prior property tax control law for civil taxing units (IC 6-3.5-1) continues in effect under this article if the provisions under which it was adopted and to which it was applicable were replaced, in the same or restated form, by corresponding provisions of this chapter:~~

SECTION 17. IC 6-1.1-20.6-3, AS AMENDED BY P.L.146-2008, SECTION 219, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 3. As used in this chapter, "property tax liability" means, for purposes of:

(1) this chapter, other than section 8.5 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or ~~IC 6-3.5~~, **IC 6-3.6**, except the credit under this chapter, but does not include any interest or penalty imposed under this article; and (2) section 8.5 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or ~~IC 6-3.5~~, **IC 6-3.6**, including the credit granted by section 7 or 7.5 of this chapter, but not including the credit granted under section 8.5 of this chapter or any interest or penalty imposed under this article.

SECTION 18. IC 6-1.1-20.6-10, AS AMENDED BY P.L.137-2012, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 10. (a) As used in this section, "debt service obligations of a political subdivision" refers to:

(1) the principal and interest payable during a calendar year on bonds; and

(2) lease rental payments payable during a calendar year on leases;

of a political subdivision payable from ad valorem property taxes.

(b) Political subdivisions are required by law to fully fund the payment of their debt obligations in an amount sufficient to pay any debt service or lease rentals on outstanding obligations, regardless of any reduction in property tax collections due to the application of tax credits granted under this chapter.

(c) Upon the failure of a political subdivision to pay any of the political subdivision's debt service obligations during a calendar year when due, the treasurer of state, upon being notified of the failure by a claimant, shall pay the unpaid debt service obligations that are due from money in the possession of the state that would otherwise be available for distribution to the political subdivision under any other law, deducting the payment from the amount distributed. A deduction under this subsection must be made:

(1) first from **local income tax distributions of county adjusted gross income tax distributions under IC 6-3.5-1.1; county option income tax distributions under IC 6-3.5-6, or county economic development income tax distributions under IC 6-3.5-7 that would otherwise be distributed to the county under the schedule in IC 6-3.5-1.1-10; IC 6-3.5-1.1-21.1; IC 6-3.5-6-16; IC 6-3.5-6-17.3; IC 6-3.5-7-17; and IC 6-3.5-7-17.3; under IC 6-3.6-9; and**

(2) second from any other undistributed funds of the political subdivision in the possession of the state.

(d) This section shall be interpreted liberally so that the state shall to the extent legally valid ensure that the debt service obligations of each political subdivision are paid when due. However, this section does not create a debt of the state.

SECTION 19. IC 6-1.1-21.8-4, AS AMENDED BY P.L.146-2008, SECTION 244, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan may not exceed the percent of increase in the United States Department of Labor Consumer Price Index for Urban Wage Earners and Clerical Workers during the most recent twelve (12) month period for which data is available as of the date that the unit applies for a loan under this chapter. In the case of a qualified taxing unit that is not a school corporation or a public library (as defined in IC 36-12-1-5), a loan must be repaid not later than ten (10) years after the date on which the loan was made. In the case of a qualified taxing unit that is a school corporation or a public library (as defined in IC 36-12-1-5), a loan must be repaid not later than eleven (11) years after the date on which the loan was made. A school corporation or a public library (as defined in IC 36-12-1-5) is not required to begin making payments to repay a loan until after June 30, 2004. The total amount of all the loans made under this chapter may not exceed twenty-eight million dollars (\$28,000,000). The board may disburse the proceeds of a loan in installments. However, not more than one-third (1/3) of the total amount to be loaned under this chapter may be disbursed at any particular time without the review of the budget committee and the approval of the budget agency.

(b) A loan made under this chapter shall be repaid only from:

- (1) property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5;
- (2) in the case of a school corporation, the school corporation's debt service fund; or
- (3) any other source of revenues (other than property taxes) that is legally available to the qualified taxing unit.

The payment of any installment of principal constitutes a first charge against the property tax revenues described in subdivision (1) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5.

(d) Whenever the board receives a payment on a loan made under

1 this chapter, the board shall deposit the amount paid in the
2 counter-cyclical revenue and economic stabilization fund.

3 (e) This section does not prohibit a qualified taxing unit from
4 repaying a loan made under this chapter before the date specified in
5 subsection (a) if a taxpayer described in section 3 of this chapter
6 resumes paying property taxes to the qualified taxing unit.

7 (f) Interest accrues on a loan made under this chapter until the date
8 the board receives notice from the county auditor that the county has
9 adopted at least one (1) of the following:

10 ~~(1) The county adjusted gross income tax under IC 6-3.5-1.1.~~

11 ~~(2) The county option income tax under IC 6-3.5-6.~~

12 ~~(3) The county economic development income tax under~~
13 ~~IC 6-3.5-7.~~

14 **a local income tax under IC 6-3.6.** Notwithstanding subsection (a),
15 interest may not be charged on a loan made under this chapter if a tax
16 described in this subsection is adopted before a qualified taxing unit
17 applies for the loan.

- 1 payable on that property.
- 2 The department of local government finance shall provide the
- 3 explanation required by this subdivision to each county treasurer.

- 14 section 9 of this chapter, a statement that is mailed must include the

- 19 amount of money to be paid for each installment. If a statement is
- 20 returned to the county treasurer as undeliverable and the forwarding

- 22 this fact. Upon receipt of the county treasurer's notice, the county
- 23 auditor may, at the county auditor's discretion, treat the property as not

- 25 credits under IC 6-1.1-20.4 and ~~IC 6-3.5-6-13~~ **IC 6-3.6-5**.
- 26 (d) All payments of property taxes and special assessments shall be
- 27 made to the county treasurer. The county treasurer, when authorized by

- 37 (g) After December 31, 2007, a reference in a law or rule to
- 38 IC 6-1.1-22-8 (expired January 1, 2008, and repealed) shall be treated
- 39 as a reference to this section.
- 40 (h) Transmission of statements and other information under this
- 41 subsection applies in a county only if the county legislative body adopts
- 42 an authorizing ordinance. Subject to subsection (i), in a county in

which an ordinance is adopted under this subsection for property taxes and special assessments first due and payable after 2009, a person may, in any manner permitted by subsection (n), direct the county treasurer and county auditor to transmit the following to the person by electronic mail:

(i) For property with respect to which more than one (1) person is liable for property taxes and special assessments, subsection (h) applies only if all the persons liable for property taxes and special assessments designate the electronic mail address for only one (1) individual authorized to receive the statements and other information referred to in subsection (h).

(j) Before 2010, the department of local government finance shall create a form to be used to implement subsection (h). The county treasurer and county auditor shall:

(3) publicize the availability of the electronic mail option under this subsection through appropriate media in a manner reasonably designed to reach members of the public.

(k) The form referred to in subsection (j) must:

(1) explain that a form filed as described in subsection (j)(2) remains in effect until the person files a replacement form to:

- (i) that the first installment of the taxpayer's tax liability is an amount equal to fifty percent (50%) of the tax liability that was payable in the same year as the assessment date for the property for which the provisional statement is issued, subject to any adjustments to the tax liability authorized by the department of local government finance under subsection (e) and approved by the county treasurer; and
- (ii) that the second installment is either the amount specified in a reconciling statement or, if a reconciling statement is not sent until after the second installment is due, an amount equal to fifty percent (50%) of the tax liability that was payable in the same year as the assessment date for the property for which the provisional statement is issued, subject to any adjustments to the tax liability authorized by the department of local government finance under subsection (e) and approved by the county treasurer; and

(B) for property taxes billed using a provisional statement under section 6.5 of this chapter, except as provided in subsection (d), indicate tax liability in an amount determined by the department of local government finance based on:

The second installment is either the amount specified in a reconciling statement that will be sent to you, or (if a reconciling statement is not sent until after the second installment is due) an amount equal to fifty percent (50%) of your tax liability for taxes payable in _____ (insert year), subject to adjustment to the tax liability authorized by the department of local government finance and approved by the county treasurer. After the abstract of property is complete, you will receive a reconciling statement in the amount of your actual tax liability for taxes payable in _____ (insert year) minus the amount you pay under this provisional statement.";

(5) for property taxes billed using a provisional statement under section 6.5 of this chapter, include a statement in the following or a substantially similar form, as determined by the department of local government finance:

12 (ii) special assessments;

13 (B) penalties; and

14 (C) interest;

16 (A) a checklist that shows:

17 (i) homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-6-13,~~
 18 **IC 6-3.6-5**, or another law and all property tax deductions;
 19 and

20 (ii) whether each homestead credit and property tax
 21 deduction were applied in the current provisional statement;

22 (B) an explanation of the procedure and deadline that a
 23 taxpayer must follow and the forms that must be used if a
 24 credit or deduction has been granted for the property and the

SECTION 22. IC 6-1.1-30-17, AS AMENDED BY P.L.137-2012, SECTION 39, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 17. (a) Except as provided in subsection (c) and subject to subsection (d), the department of state revenue and the auditor of state shall, when requested by the department of local government finance, withhold a percentage of the distributions of ~~county adjusted gross income tax distributions under IC 6-3.5-1.1;~~

1 county option income tax distributions under IC 6-3.5-6; or county
 2 economic development income tax distributions under IC 6-3.5-7 that
 3 would otherwise be distributed to the county under the schedules in
 4 IC 6-3.5-1.1-10; IC 6-3.5-1.1-21.1; IC 6-3.5-6-17; IC 6-3.5-6-17.3;
 5 IC 6-3.5-7-16; and IC 6-3.5-7-17.3; **local income tax revenue under**
 6 **IC 6-3.6-9**, if:

- 7 (1) the county assessor has not transmitted to the department of
- 8 local government finance by October 1 of the year in which the
- 9 distribution is scheduled to be made the data for all townships in
- 10 the county required to be transmitted under IC 6-1.1-4-25;
- 11 (2) the county auditor has not paid a bill for services under
- 12 IC 6-1.1-4-31.5 to the department of local government finance in
- 13 a timely manner;
- 14 (3) the county assessor has not forwarded to the department of
- 15 local government finance in a timely manner sales disclosure
- 16 form data under IC 6-1.1-5.5-3;
- 17 (4) the county auditor has not forwarded to the department of
- 18 local government finance the duplicate copies of all approved
- 19 exemption applications required to be forwarded by that date
- 20 under IC 6-1.1-11-8(a);
- 21 (5) by the date the distribution is scheduled to be made, the
- 22 county auditor has not sent a certified statement required to be
- 23 sent by that date under IC 6-1.1-17-1 to the department of local
- 24 government finance;
- 25 (6) the county does not maintain a certified computer system that
- 26 meets the requirements of IC 6-1.1-31.5-3.5;
- 27 (7) the county auditor has not transmitted the data described in
- 28 IC 36-2-9-20 to the department of local government finance in the
- 29 form and on the schedule specified by IC 36-2-9-20;
- 30 (8) the county has not established a parcel index numbering
- 31 system under 50 IAC 23-8-1 in a timely manner;
- 32 (9) a county official has not provided other information to the
- 33 department of local government finance in a timely manner as
- 34 required by the department of local government finance; or
- 35 (10) the department of local government finance incurs additional
- 36 costs to assist a covered county (as defined in IC 6-1.1-22.6-1) to
- 37 issue tax statements within the time frame specified in
- 38 IC 6-1.1-22.6-18(b) for each year that the county experienced
- 39 delayed property taxes (as defined in IC 6-1.1-22.6-2) before the
- 40 year in which the county qualifies as a covered county.

41 The percentage to be withheld is the percentage determined by the
 42 department of local government finance. However, the percentage

withheld for a reason stated in subdivision (10) may not exceed the percentage needed to reimburse the department of local government finance for the costs incurred by the department of local government finance to take the actions necessary to permit a covered county (as defined in IC 6-1.1-22.6-1) to issue reconciling tax statements for prior year delayed property taxes (as defined in IC 6-1.1-22.6-2) within the time frame specified in IC 6-1.1-22.6-18(b). The county governmental taxing unit of a covered county (as defined in IC 6-1.1-22.6-1) shall reimburse the department of local government finance for these expenses. The amount withheld under subdivision (10) reduces only the amount that would otherwise be distributed to the county governmental taxing unit of a covered county (as defined in IC 6-1.1-22.6-1) and not money distributable to any other political subdivision. The withholding of an amount under subdivision (10) does not relieve the county government of a covered county (as defined in IC 6-1.1-22.6-1) from making bond or lease payments that would otherwise be paid from withheld amounts or providing property tax credits that would otherwise be provided under ~~IC 6-3.5~~ **IC 6-3.6** from withheld amounts. Subdivision (10) does not apply to any county other than a covered county (as defined in IC 6-1.1-22.6-1).

(b) Except as provided in subsection (e), money not distributed for the reasons stated in subsection (a) shall be distributed to the county when the department of local government finance determines that the failure to:

- (1) provide information; or
- (2) pay a bill for services;

has been corrected.

(c) The restrictions on distributions under subsection (a) do not apply if the department of local government finance determines that the failure to:

- (1) provide information; or
- (2) pay a bill for services;

in a timely manner is justified by unusual circumstances.

(d) The department of local government finance shall give the county auditor at least thirty (30) days notice in writing before the department of state revenue or the auditor of state withholds a distribution under subsection (a).

(e) Money not distributed for the reason stated in subsection (a)(2) may be deposited in the fund established by IC 6-1.1-5.5-4.7(a). Money deposited under this subsection is not subject to distribution under subsection (b).

(f) This subsection applies to a county that will not receive a

1 distribution of local income tax revenue under ~~IC 6-3.5-1.1,~~
 2 ~~IC 6-3.5-6, or IC 6-3.5-7.~~ **IC 6-3.6-9.** At the request of the department
 3 of local government finance, an amount permitted to be withheld under
 4 subsection (a) may be withheld from any state revenues that would
 5 otherwise be distributed to the county or one (1) or more taxing units
 6 in the county.

7 SECTION 23. IC 6-1.1-36-17, AS AMENDED BY P.L.5-2015,
 8 SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 9 JANUARY 1, 2017]: Sec. 17. (a) As used in this section, "nonreverting
 10 fund" refers to a nonreverting fund established under subsection (c).

11 (b) Each county auditor that makes a determination that property
 12 was not eligible for a standard deduction under IC 6-1.1-12-37 in a
 13 particular year shall:

14 (1) notify the county treasurer of the determination; and

15 (2) do one (1) or more of the following:

16 (A) Make a notation on the tax duplicate that the property is
 17 ineligible for the standard deduction and indicate the date the
 18 notation is made.

19 (B) Record a notice of an ineligible homestead lien under
 20 subsection (d)(2).

21 The county auditor shall issue a notice of taxes, interest, and penalties
 22 due to the owner that improperly received the standard deduction and
 23 include a statement that the payment is to be made payable to the
 24 county auditor. The notice must require full payment of the amount
 25 owed within thirty (30) days. The additional taxes and civil penalties
 26 that result from the removal of the deduction, if any, are imposed for
 27 property taxes first due and payable for an assessment date occurring
 28 before the earlier of the date of the notation made under subdivision
 29 (2)(A) or the date a notice of an ineligible homestead lien is recorded
 30 under subsection (d)(2) in the office of the county recorder. With
 31 respect to property subject to a determination made under this
 32 subsection that is owned by a bona fide purchaser without knowledge
 33 of the determination, no lien attaches for any additional taxes and civil
 34 penalties that result from the removal of the deduction.

35 (c) Each county auditor shall establish a nonreverting fund. Upon
 36 collection of the adjustment in tax due (and any interest and penalties
 37 on that amount) after the termination of a deduction or credit as
 38 specified in subsection (b), the county treasurer shall deposit that
 39 amount:

40 (1) in the nonreverting fund, if the county contains a consolidated
 41 city; or

42 (2) if the county does not contain a consolidated city:

(A) in the nonreverting fund, to the extent that the amount collected, after deducting the direct cost of any contract, including contract related expenses, under which the contractor is required to identify homestead deduction eligibility, does not cause the total amount deposited in the nonreverting fund under this subsection for the year during which the amount is collected to exceed one hundred thousand dollars (\$100,000); or

(B) in the county general fund, to the extent that the amount collected exceeds the amount that may be deposited in the nonreverting fund under clause (A).

(d) Any part of the amount due under subsection (b) that is not collected by the due date is subject to collection under one (1) or more of the following:

(1) After being placed on the tax duplicate for the affected property and collected in the same manner as other property taxes.

(2) Through a notice of an ineligible homestead lien recorded in the county recorder's office without charge.

The adjustment in tax due (and any interest and penalties on that amount) after the termination of a deduction or credit as specified in subsection (b) shall be deposited as specified in subsection (c) only in the first year in which that amount is collected. Upon the collection of the amount due under subsection (b) or the release of a lien recorded under subdivision (2), the county auditor shall submit the appropriate documentation to the county recorder, who shall amend the information recorded under subdivision (2) without charge to indicate that the lien has been released or the amount has been paid in full.

(e) The amount to be deposited in the nonreverting fund or the county general fund under subsection (c) includes adjustments in the tax due as a result of the termination of deductions or credits available only for property that satisfies the eligibility for a standard deduction under IC 6-1.1-12-37, including the following:

(1) Supplemental deductions under IC 6-1.1-12-37.5.

(2) Homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-1.1-26,~~
~~IC 6-3.5-6-13,~~ ~~IC 6-3.5-6-32,~~ ~~IC 6-3.5-7-13.1,~~ or ~~IC 6-3.5-7-26,~~
IC 6-3.6-5, IC 6-3.6-11-3, or any other law.

(3) Credit for excessive property taxes under IC 6-1.1-20.6-7.5 or IC 6-1.1-20.6-8.5.

Any amount paid that exceeds the amount required to be deposited under subsection (c)(1) or (c)(2) shall be distributed as property taxes.

(f) Money deposited under subsection (c)(1) or (c)(2) shall be treated as miscellaneous revenue. Distributions shall be made from the

1 nonreverting fund established under this section upon appropriation by
 2 the county fiscal body and shall be made only for the following
 3 purposes:

4 (1) Fees and other costs incurred by the county auditor to discover
 5 property that is eligible for a standard deduction under
 6 IC 6-1.1-12-37.

7 (2) Other expenses of the office of the county auditor.

8 The amount of deposits in a reverting fund, the balance of a
 9 nonreverting fund, and expenditures from a reverting fund may not be
 10 considered in establishing the budget of the office of the county auditor
 11 or in setting property tax levies that will be used in any part to fund the
 12 office of the county auditor.

13 SECTION 24. IC 6-3-4-4.1, AS AMENDED BY P.L.1-2009,
 14 SECTION 50, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 15 JANUARY 1, 2017]: Sec. 4.1. (a) Any individual required by the
 16 Internal Revenue Code to file estimated tax returns and to make
 17 payments on account of such estimated tax shall file estimated tax
 18 returns and make payments of the tax imposed by this article to the
 19 department at the time or times and in the installments as provided by
 20 Section 6654 of the Internal Revenue Code. However, the following
 21 apply to estimated tax returns filed and payments made under this
 22 subsection:

23 (1) In applying Section 6654 of the Internal Revenue Code for the
 24 purposes of this article, "estimated tax" means the amount which
 25 the individual estimates as the amount of the adjusted gross
 26 income tax imposed by this article for the taxable year, minus the
 27 amount which the individual estimates as the sum of any credits
 28 against the tax provided by IC 6-3-3.

29 (2) Estimated tax for a nonresident alien (as defined in Section
 30 7701 of the Internal Revenue Code) must be computed by
 31 applying not more than one (1) exclusion under IC 6-3-1-3.5(a)(3)
 32 and IC 6-3-1-3.5(a)(4), regardless of the total number of
 33 exclusions that IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4) permit
 34 the taxpayer to apply on the taxpayer's final return for the taxable
 35 year.

36 (b) Every individual who has adjusted gross income subject to the
 37 tax imposed by this article and from which tax is not withheld under
 38 the requirements of section 8 of this chapter shall make a declaration
 39 of estimated tax for the taxable year. However, no such declaration
 40 shall be required if the estimated tax can reasonably be expected to be
 41 less than one thousand dollars (\$1,000). In the case of an underpayment
 42 of the estimated tax as provided in Section 6654 of the Internal

Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(c) Every corporation subject to the adjusted gross income tax liability imposed by this article shall be required to report and pay an estimated tax equal to the lesser of:

(1) twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year; or

(2) the annualized income installment calculated in the manner provided by Section 6655(e) of the Internal Revenue Code as applied to the corporation's liability for adjusted gross income tax.

A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year. The department shall prescribe the manner and forms for such reporting and payment.

(d) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by the department on corporations failing to make payments as required in subsection (c) or (f). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax which equal or exceed:

(1) the annualized income installment calculated under subsection (c); or

(2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

(e) The provisions of subsection (c) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2 (repealed), shall exceed two thousand five hundred dollars (\$2,500) for its taxable year.

(f) If the department determines that a corporation's:

(1) estimated quarterly adjusted gross income tax liability for the current year; or

(2) average estimated quarterly adjusted gross income tax liability for the preceding year; exceeds five thousand dollars (\$5,000), after the credit allowed by IC 6-3-3-2 (repealed), the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(g) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

(h) An individual filing an estimated tax return and making an estimated tax payment under this section must designate:

(1) the portion of the estimated tax payment that represents estimated state adjusted gross income tax liability; and

(2) the portion of the estimated tax payment that represents estimated local income tax liability under ~~IC 6-3-5~~; **IC 6-3.6**.

The department shall adopt guidelines and issue instructions as necessary to assist individuals in making the designations required by this subsection.

SECTION 25. IC 6-3-4-8, AS AMENDED BY P.L.242-2015, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 8. (a) Except as provided in subsection (d), every employer making payments of wages subject to tax under this article, regardless of the place where such payment is made, who is required under the provisions of the Internal Revenue Code to withhold, collect, and pay over income tax on wages paid by such employer to such employee, shall, at the time of payment of such wages, deduct and retain therefrom the amount prescribed in withholding instructions issued by the department. The department shall base its withholding instructions on the adjusted gross income tax rate for persons, on the total ~~rates of any income taxes~~ **local income tax rate** that the taxpayer is subject to under ~~IC 6-3-5~~; **IC 6-3.6**, and on the total amount of exclusions the taxpayer is entitled to under IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4). However, the withholding instructions on the adjusted gross income of a nonresident alien (as defined in Section 7701 of the Internal Revenue Code) are to be based on applying not more than one (1) withholding exclusion, regardless of the total number of exclusions that IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4) permit the taxpayer to apply on the taxpayer's final return for the taxable year. Such employer making payments of any

1 wages:

2 (1) shall be liable to the state of Indiana for the payment of the tax
3 required to be deducted and withheld under this section and shall
4 not be liable to any individual for the amount deducted from the
5 individual's wages and paid over in compliance or intended
6 compliance with this section; and

7 (2) shall make return of and payment to the department monthly
8 of the amount of tax which under this article and ~~IC 6-3.5~~
9 **IC 6-3.6** the employer is required to withhold.

10 (b) An employer shall pay taxes withheld under subsection (a)
11 during a particular month to the department no later than thirty (30)
12 days after the end of that month. However, in place of monthly
13 reporting periods, the department may permit an employer to report and
14 pay the tax for a calendar year reporting period, if the average monthly
15 amount of all tax required to be withheld by the employer in the
16 previous calendar year does not exceed one thousand dollars (\$1,000).
17 An employer using a reporting period (other than a monthly reporting
18 period) must file the employer's return and pay the tax for a reporting
19 period no later than the last day of the month immediately following
20 the close of the reporting period.

21 (c) For purposes of determining whether an employee is subject to
22 taxation under ~~IC 6-3.5~~, **IC 6-3.6**, an employer is entitled to rely on the
23 statement of an employee as to the employee's county of residence as
24 represented by the statement of address in forms claiming exemptions
25 for purposes of withholding, regardless of when the employee supplied
26 the forms. Every employee shall notify the employee's employer within
27 five (5) days after any change in the employee's county of residence.

28 (d) A county that makes payments of wages subject to tax under this
29 article:

30 (1) to a precinct election officer (as defined in IC 3-5-2-40.1); and
31 (2) for the performance of the duties of the precinct election
32 officer imposed by IC 3 that are performed on election day;

33 is not required, at the time of payment of the wages, to deduct and
34 retain from the wages the amount prescribed in withholding
35 instructions issued by the department.

36 (e) Every employer shall, at the time of each payment made by the
37 employer to the department, deliver to the department a return upon the
38 form prescribed by the department showing:

39 (1) the total amount of wages paid to the employer's employees;
40 (2) the amount deducted therefrom in accordance with the
41 provisions of the Internal Revenue Code;
42 (3) the amount of adjusted gross income tax deducted therefrom

1 in accordance with the provisions of this section;

2 (4) the amount of income tax, if any, imposed under ~~IC 6-3.5~~

3 **IC 6-3.6** and deducted therefrom in accordance with this section;

4 and

5 (5) any other information the department may require.

6 Every employer making a declaration of withholding as provided in this
7 section shall furnish the employer's employees annually, but not later
8 than thirty (30) days after the end of the calendar year, a record of the
9 total amount of adjusted gross income tax and the amount of each
10 income tax, if any, imposed under ~~IC 6-3.5~~, **IC 6-3.6**, withheld from the
11 employees, on the forms prescribed by the department. In addition, the
12 employer shall file Form WH-3 annual withholding tax reports with the
13 department not later than thirty-one (31) days after the end of the
14 calendar year.

15 (f) All money deducted and withheld by an employer shall
16 immediately upon such deduction be the money of the state, and every
17 employer who deducts and retains any amount of money under the
18 provisions of this article shall hold the same in trust for the state of
19 Indiana and for payment thereof to the department in the manner and
20 at the times provided in this article. Any employer may be required to
21 post a surety bond in the sum the department determines to be
22 appropriate to protect the state with respect to money withheld pursuant
23 to this section.

24 (g) The provisions of IC 6-8.1 relating to additions to tax in case of
25 delinquency and penalties shall apply to employers subject to the
26 provisions of this section, and for these purposes any amount deducted
27 or required to be deducted and remitted to the department under this
28 section shall be considered to be the tax of the employer, and with
29 respect to such amount the employer shall be considered the taxpayer.
30 In the case of a corporate or partnership employer, every officer,
31 employee, or member of such employer, who, as such officer,
32 employee, or member is under a duty to deduct and remit such taxes,
33 shall be personally liable for such taxes, penalties, and interest.

34 (h) Amounts deducted from wages of an employee during any
35 calendar year in accordance with the provisions of this section shall be
36 considered to be in part payment of the tax imposed on such employee
37 for the employee's taxable year which begins in such calendar year, and
38 a return made by the employer under subsection (b) shall be accepted
39 by the department as evidence in favor of the employee of the amount
40 so deducted from the employee's wages. Where the total amount so
41 deducted exceeds the amount of tax on the employee as computed
42 under this article and ~~IC 6-3.5~~, **IC 6-3.6**, the department shall, after

1 examining the return or returns filed by the employee in accordance
 2 with this article and ~~IC 6-3.5~~, **IC 6-3.6**, refund the amount of the excess
 3 deduction. However, under rules promulgated by the department, the
 4 excess or any part thereof may be applied to any taxes or other claim
 5 due from the taxpayer to the state of Indiana or any subdivision thereof.
 6 In the event that the excess tax deducted is less than one dollar (\$1), no
 7 refund shall be made.

8 (i) This section shall in no way relieve any taxpayer from the
 9 taxpayer's obligation of filing a return or returns at the time required
 10 under this article and ~~IC 6-3.5~~, **IC 6-3.6**, and, should the amount
 11 withheld under the provisions of this section be insufficient to pay the
 12 total tax of such taxpayer, such unpaid tax shall be paid at the time
 13 prescribed by section 5 of this chapter.

14 (j) Notwithstanding subsection (b), an employer of a domestic
 15 service employee that enters into an agreement with the domestic
 16 service employee to withhold federal income tax under Section 3402
 17 of the Internal Revenue Code may withhold Indiana income tax on the
 18 domestic service employee's wages on the employer's Indiana
 19 individual income tax return in the same manner as allowed by Section
 20 3510 of the Internal Revenue Code.

21 (k) To the extent allowed by Section 1137 of the Social Security
 22 Act, an employer of a domestic service employee may report and remit
 23 state unemployment insurance contributions on the employee's wages
 24 on the employer's Indiana individual income tax return in the same
 25 manner as allowed by Section 3510 of the Internal Revenue Code.

26 (l) A person who knowingly fails to remit trust fund money as set
 27 forth in this section commits a Level 6 felony.

28 SECTION 26. IC 6-3-4-12, AS AMENDED BY P.L.242-2015,
 29 SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 30 JANUARY 1, 2017]: Sec. 12. (a) Every partnership shall, at the time
 31 that the partnership pays or credits amounts to any of its nonresident
 32 partners on account of their distributive shares of partnership income,
 33 for a taxable year of the partnership, deduct and retain therefrom the
 34 amount prescribed in the withholding instructions referred to in section
 35 8 of this chapter. Such partnership so paying or crediting any
 36 nonresident partner:

37 (1) shall be liable to the state of Indiana for the payment of the tax
 38 required to be deducted and retained under this section and shall
 39 not be liable to such partner for the amount deducted from such
 40 payment or credit and paid over in compliance or intended
 41 compliance with this section; and

42 (2) shall make return of and payment to the department monthly

1 whenever the amount of tax due under IC 6-3 and ~~IC 6-3.5~~
 2 **IC 6-3.6** exceeds an aggregate amount of fifty dollars (\$50) per
 3 month with such payment due on the thirtieth day of the following
 4 month, unless an earlier date is specified by section 8.1 of this
 5 chapter.

6 Where the aggregate amount due under IC 6-3 and ~~IC 6-3.5~~ **IC 6-3.6**
 7 does not exceed fifty dollars (\$50) per month, then such partnership
 8 shall make return and payment to the department quarterly, on such
 9 dates and in such manner as the department shall prescribe, of the
 10 amount of tax which, under IC 6-3 and ~~IC 6-3.5~~ **IC 6-3.6**, it is required
 11 to withhold.

12 (b) Every partnership shall, at the time of each payment made by it
 13 to the department pursuant to this section, deliver to the department a
 14 return upon such form as shall be prescribed by the department
 15 showing the total amounts paid or credited to its nonresident partners,
 16 the amount deducted therefrom in accordance with the provisions of
 17 this section, and such other information as the department may require.
 18 Every partnership making the deduction and retention provided in this
 19 section shall furnish to its nonresident partners annually, but not later
 20 than the fifteenth day of the third month after the end of its taxable
 21 year, a record of the amount of tax deducted and retained from such
 22 partners on forms to be prescribed by the department.

23 (c) All money deducted and retained by the partnership, as provided
 24 in this section, shall immediately upon such deduction be the money of
 25 the state of Indiana and every partnership which deducts and retains
 26 any amount of money under the provisions of IC 6-3 shall hold the
 27 same in trust for the state of Indiana and for payment thereof to the
 28 department in the manner and at the times provided in IC 6-3. Any
 29 partnership may be required to post a surety bond in such sum as the
 30 department shall determine to be appropriate to protect the state of
 31 Indiana with respect to money deducted and retained pursuant to this
 32 section.

33 (d) The provisions of IC 6-8.1 relating to additions to tax in case of
 34 delinquency and penalties shall apply to partnerships subject to the
 35 provisions of this section, and for these purposes any amount deducted,
 36 or required to be deducted and remitted to the department under this
 37 section, shall be considered to be the tax of the partnership, and with
 38 respect to such amount it shall be considered the taxpayer.

39 (e) Amounts deducted from payments or credits to a nonresident
 40 partner during any taxable year of the partnership in accordance with
 41 the provisions of this section shall be considered to be in part payment
 42 of the tax imposed on such nonresident partner for the nonresident

partner's taxable year within or with which the partnership's taxable year ends. A return made by the partnership under subsection (b) shall be accepted by the department as evidence in favor of the nonresident partner of the amount so deducted for the nonresident partner's distributive share.

(f) This section shall in no way relieve any nonresident partner from the nonresident partner's obligations of filing a return or returns at the time required under IC 6-3 or ~~IC 6-3.5~~, **IC 6-3.6**, and any unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(g) Instead of the reporting periods required under subsection (a), the department may permit a partnership to file one (1) return and payment each year if the partnership pays or credits amounts to its nonresident partners only one (1) time each year. The return and payment are due on or before the fifteenth day of the fourth month after the end of the year. However, if a partnership is permitted an extension to file its income tax return under IC 6-8.1-6-1, the return and payment due under this subsection shall be allowed the same treatment as an extended income tax return with respect to due dates, interest, and penalties under IC 6-8.1-6-1.

(h) A partnership shall file a composite adjusted gross income tax return on behalf of all nonresident partners. The composite return must include each nonresident partner regardless of whether or not the nonresident partner has other Indiana source income.

(i) If a partnership does not include all nonresident partners in the composite return, the partnership is subject to the penalty imposed under IC 6-8.1-10-2.1(j).

(j) For taxable years beginning after December 31, 2013, the department may not impose a late payment penalty on a partnership for the failure to file a return, pay the full amount of the tax shown on the partnership's return, or pay the deficiency of the withholding taxes due under this section if the partnership pays the department before the fifteenth day of the fourth month after the end of the partnership's taxable year at least:

- (1) eighty percent (80%) of the withholding tax due for the current year; or
- (2) one hundred percent (100%) of the withholding tax due for the preceding year.

(k) Notwithstanding subsection (a) or (h), a pass through entity is not required to withhold tax or file a composite adjusted gross income tax return for a nonresident member if the entity:

- (1) is a publicly traded partnership as defined by Section 7704(b) of the Internal Revenue Code;

1 (2) meets the exception for partnerships under Section 7704(c) of
 2 the Internal Revenue Code; and
 3 (3) has agreed to file an annual information return reporting the
 4 name, address, taxpayer identification number, and other
 5 information requested by the department of each unit holder.
 6 The department may issue written guidance explaining circumstances
 7 under which limited partnerships or limited liability companies owned
 8 by a publicly traded partnership may be excluded from the withholding
 9 requirements of this section.
 10 (l) Notwithstanding subsection (j), a partnership is subject to a late
 11 payment penalty for the failure to file a return, pay the full amount of
 12 the tax shown on the partnership's return, or pay the deficiency of the
 13 withholding taxes due under this section for any amounts of
 14 withholding tax, including any interest under IC 6-8.1-10-1, reported
 15 or paid after the due date of the return, as adjusted by any extension
 16 under IC 6-8.1-6-1.
 17 (m) For purposes of this section, a "nonresident partner" is:
 18 (1) an individual who does not reside in Indiana;
 19 (2) a trust that does not reside in Indiana;
 20 (3) an estate that does not reside in Indiana;
 21 (4) a partnership not domiciled in Indiana;
 22 (5) a C corporation not domiciled in Indiana; or
 23 (6) an S corporation not domiciled in Indiana.
 24 SECTION 27. IC 6-3-4-13, AS AMENDED BY P.L.242-2015,
 25 SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 26 JANUARY 1, 2017]: Sec. 13. (a) Every corporation which is exempt
 27 from tax under IC 6-3 pursuant to IC 6-3-2-2.8(2) shall, at the time that
 28 it pays or credits amounts to any of its nonresident shareholders as
 29 dividends or as their share of the corporation's undistributed taxable
 30 income, withhold the amount prescribed by the department. Such
 31 corporation so paying or crediting any nonresident shareholder:
 32 (1) shall be liable to the state of Indiana for the payment of the tax
 33 required to be withheld under this section and shall not be liable
 34 to such shareholder for the amount withheld and paid over in
 35 compliance or intended compliance with this section; and
 36 (2) when the aggregate amount due under IC 6-3 and ~~IC 6-3-5~~
 37 **IC 6-3.6** exceeds one hundred fifty dollars (\$150) per quarter,
 38 then such corporation shall make return and payment to the
 39 department quarterly, on such dates and in such manner as the
 40 department shall prescribe, of the amount of tax which, under
 41 IC 6-3 and ~~IC 6-3-5~~, **IC 6-3.6**, it is required to withhold.
 42 (b) Every corporation shall, at the time of each payment made by it

1 to the department pursuant to this section, deliver to the department a
 2 return upon such form as shall be prescribed by the department
 3 showing the total amounts paid or credited to its nonresident
 4 shareholders, the amount withheld in accordance with the provisions
 5 of this section, and such other information as the department may
 6 require. Every corporation withholding as provided in this section shall
 7 furnish to its nonresident shareholders annually, but not later than the
 8 fifteenth day of the third month after the end of its taxable year, a
 9 record of the amount of tax withheld on behalf of such shareholders on
 10 forms to be prescribed by the department.

11 (c) All money withheld by a corporation, pursuant to this section,
 12 shall immediately upon being withheld be the money of the state of
 13 Indiana and every corporation which withholds any amount of money
 14 under the provisions of this section shall hold the same in trust for the
 15 state of Indiana and for payment thereof to the department in the
 16 manner and at the times provided in IC 6-3. Any corporation may be
 17 required to post a surety bond in such sum as the department shall
 18 determine to be appropriate to protect the state of Indiana with respect
 19 to money withheld pursuant to this section.

20 (d) The provisions of IC 6-8.1 relating to additions to tax in case of
 21 delinquency and penalties shall apply to corporations subject to the
 22 provisions of this section, and for these purposes any amount withheld,
 23 or required to be withheld and remitted to the department under this
 24 section, shall be considered to be the tax of the corporation, and with
 25 respect to such amount it shall be considered the taxpayer.

26 (e) Amounts withheld from payments or credits to a nonresident
 27 shareholder during any taxable year of the corporation in accordance
 28 with the provisions of this section shall be considered to be a part
 29 payment of the tax imposed on such nonresident shareholder for the
 30 shareholder's taxable year within or with which the corporation's
 31 taxable year ends. A return made by the corporation under subsection
 32 (b) shall be accepted by the department as evidence in favor of the
 33 nonresident shareholder of the amount so withheld from the
 34 shareholder's distributive share.

35 (f) This section shall in no way relieve any nonresident shareholder
 36 from the shareholder's obligation of filing a return or returns at the time
 37 required under IC 6-3 or ~~IC 6-3.5~~, **IC 6-3.6**, and any unpaid tax shall
 38 be paid at the time prescribed by section 5 of this chapter.

 40 the department may permit a corporation to file one (1) return and
 41 payment each year if the corporation pays or credits amounts to its
 42 nonresident shareholders only one (1) time each year. The withholding

1 return and payment are due on or before the fifteenth day of the fourth
 2 month after the end of the taxable year of the corporation. However, if
 3 a corporation is permitted an extension to file its income tax return
 4 under IC 6-8.1-6-1, the return and payment due under this subsection
 5 shall be allowed the same treatment as the extended income tax return
 6 with respect to the due dates, interest, and penalties under IC 6-8.1-6-1.

7 (h) If a distribution will be made with property other than money or
 8 a gain is realized without the payment of money, the corporation shall
 9 not release the property or credit the gain until it has funds sufficient
 10 to enable it to pay the tax required to be withheld under this section. If
 11 necessary, the corporation shall obtain such funds from the
 12 shareholders.

13 (i) If a corporation fails to withhold and pay any amount of tax
 14 required to be withheld under this section and thereafter the tax is paid
 15 by the shareholders, such amount of tax as paid by the shareholders
 16 shall not be collected from the corporation but it shall not be relieved
 17 from liability for interest or penalty otherwise due in respect to such
 18 failure to withhold under IC 6-8.1-10.

19 (j) A corporation described in subsection (a) shall file a composite
 20 adjusted gross income tax return on behalf of all nonresident
 21 shareholders. The composite return must include each nonresident
 22 shareholder regardless of whether or not the nonresident shareholder
 23 has other Indiana source income.

24 (k) If a corporation described in subsection (a) does not include all
 25 nonresident shareholders in the composite return, the corporation is
 26 subject to the penalty imposed under IC 6-8.1-10-2.1(j).

27 (l) For taxable years beginning after December 31, 2013, the
 28 department may not impose a late payment penalty on a corporation for
 29 the failure to file a return, pay the full amount of the tax shown on the
 30 corporation's return, or pay the deficiency of the withholding taxes due
 31 under this section if the corporation pays the department before the
 32 fifteenth day of the fourth month after the end of the partnership's
 33 taxable year at least:

34 (1) eighty percent (80%) of the withholding tax due for the
 35 current year; or

36 (2) one hundred percent (100%) of the withholding tax due for the
 37 preceding year.

38 (m) Notwithstanding subsection (l), a corporation is subject to a late
 39 payment penalty for the failure to file a return, pay the full amount of
 40 the tax shown on the corporation's return, or pay the deficiency of the
 41 withholding taxes due under this section for any amounts of
 42 withholding tax, including any interest under IC 6-8.1-10-1, reported

1 or paid after the due date of the return, as adjusted by any extension
2 under IC 6-8.1-6-1.

STEP THREE: Determine the product of:

- (A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by
- (B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:

 - ~~(A)~~ (i) for a city or town, the population of the city or the town that is located in the county and for a county, the population of the part of the county that is not located in a city or town; divided by
 - ~~(B)~~ (ii) the population of the entire county.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) In a county having a consolidated city, only the consolidated city

1 is entitled to the amount of the certified distribution that is allocated to
2 economic development purposes.

The use of local income tax revenue as provided in this section is necessary for the county to provide adequate jail facilities in the county and to maintain low property tax rates essential to economic development. The use of local income tax revenues as provided in this section to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, remodeling, and equipping described in subsection (b), rather than the use of property taxes, promotes those purposes.

An ordinance adopted under this subsection must specify an additional tax rate to be imposed in the county (or township in the case of an additional rate required by IC 8-25-6-10) of at least one-tenth percent (0.1%), but not more than twenty-five hundredths

percent (0.25%). If an ordinance is adopted under this subsection, the amount of the certified distribution attributable to the additional tax rate imposed under this subsection must be:

- (1) retained by the county auditor;

- (2) annually along with the employer's annual withholding report.

SECTION 58. IC 6-3.6-8-8 IS REPEALED [EFFECTIVE JANUARY 1, 2017]. Sec. 8: (a) ~~If for a particular taxable year a local taxpayer is, or a local taxpayer and the taxpayer's spouse who file a joint return are, allowed a credit for the elderly or individuals with a total disability under Section 22 of the Internal Revenue Code, the local taxpayer is, or the local taxpayer and the taxpayer's spouse are, entitled to a credit against the tax liability imposed under this article for that~~

26 SECTION 109. IC 20-26-11-13, AS AMENDED BY P.L.205-2013,
27 SECTION 242, IS AMENDED TO READ AS FOLLOWS
28 [EFFECTIVE JANUARY 1, 2017]: Sec. 13. (a) As used in this section,
29 the following terms have the following meanings:

30 (1) "Class of school" refers to a classification of each school or
31 program in the transferee corporation by the grades or special
32 programs taught at the school. Generally, these classifications are
33 denominated as kindergarten, elementary school, middle school
34 or junior high school, high school, and special schools or classes,
35 such as schools or classes for special education, career and
36 technical education, or career education.

37 (2) "Special equipment" means equipment that during a school
38 year:

39 (A) is used only when a child with disabilities is attending
40 school;

41 (B) is not used to transport a child to or from a place where the
42 child is attending school;

(C) is necessary for the education of each child with disabilities that uses the equipment, as determined under the individualized education program for the child; and

(D) is not used for or by any child who is not a child with disabilities.

(3) "Student enrollment" means the following:

(A) The total number of students in kindergarten through grade 12 who are enrolled in a transferee school corporation on a date determined by the state board.

(B) The total number of students enrolled in a class of school in a transferee school corporation on a date determined by the state board.

However, a kindergarten student shall be counted under clauses (A) and (B) as one-half (1/2) student. The state board may select a different date for counts under this subdivision. However, the same date shall be used for all school corporations making a count for the same class of school.

(b) Each transferee corporation is entitled to receive for each school year on account of each transferred student, except a student transferred under section 6 of this chapter, transfer tuition from the transferor corporation or the state as provided in this chapter. Transfer tuition equals the amount determined under STEP THREE of the following formula:

STEP ONE: Allocate to each transfer student the capital expenditures for any special equipment used by the transfer student and a proportionate share of the operating costs incurred by the transferee school for the class of school where the transfer student is enrolled.

STEP TWO: If the transferee school included the transfer student in the transferee school's current ADM, allocate to the transfer student a proportionate share of the following general fund revenues of the transferee school:

(A) State tuition support distributions received during the calendar year in which the school year ends.

(B) Property tax levies under IC 20-45-7 and IC 20-45-8 for the calendar year in which the school year ends.

(C) The sum of the following excise tax revenue received for deposit in the calendar year in which the school year begins:

(i) Financial institution excise tax revenue (IC 6-5.5).

(ii) Motor vehicle excise taxes (IC 6-6-5).

(iii) Commercial vehicle excise taxes (IC 6-6-5.5).

(iv) Boat excise tax (IC 6-6-11).

(v) Aircraft license excise tax (IC 6-6-6.5).

(D) Allocations to the transferee school under ~~IC 6-3.5.~~

IC 6-3.6.

STEP THREE: Determine the greater of:

(A) zero (0); or

(B) the result of subtracting the STEP TWO amount from the STEP ONE amount.

If a child is placed in an institution or facility in Indiana by or with the approval of the department of child services, the institution or facility shall charge the department of child services for the use of the space within the institution or facility (commonly called capital costs) that is used to provide educational services to the child based upon a prorated per student cost.

(c) Operating costs shall be determined for each class of school where a transfer student is enrolled. The operating cost for each class of school is based on the total expenditures of the transferee corporation for the class of school from its general fund expenditures as specified in the classified budget forms prescribed by the state board of accounts. This calculation excludes:

(1) capital outlay;

(2) debt service;

(3) costs of transportation;

(4) salaries of board members;

(5) contracted service for legal expenses; and

(6) any expenditure that is made from extracurricular account receipts;

for the school year.

(d) The capital cost of special equipment for a school year is equal to:

(1) the cost of the special equipment; divided by

(2) the product of:

(A) the useful life of the special equipment, as determined under the rules adopted by the state board; multiplied by

(B) the number of students using the special equipment during at least part of the school year.

(e) When an item of expense or cost described in subsection (c) cannot be allocated to a class of school, it shall be prorated to all classes of schools on the basis of the student enrollment of each class in the transferee corporation compared with the total student enrollment in the school corporation.

(f) Operating costs shall be allocated to a transfer student for each school year by dividing:

- (1) the transferee school corporation's operating costs for the class of school in which the transfer student is enrolled; by
- (2) the student enrollment of the class of school in which the transfer student is enrolled.

When a transferred student is enrolled in a transferee corporation for less than the full school year of student attendance, the transfer tuition shall be calculated by the part of the school year for which the transferred student is enrolled. A school year of student attendance consists of the number of days school is in session for student attendance. A student, regardless of the student's attendance, is enrolled in a transferee school unless the student is no longer entitled to be transferred because of a change of residence, the student has been excluded or expelled from school for the balance of the school year or for an indefinite period, or the student has been confirmed to have withdrawn from school. The transferor and the transferee corporation may enter into written agreements concerning the amount of transfer tuition due in any school year. If an agreement cannot be reached, the amount shall be determined by the state board, and costs may be established, when in dispute, by the state board of accounts.

(g) A transferee school shall allocate revenues described in subsection (b) STEP TWO to a transfer student by dividing:

- (1) the total amount of revenues received during a period; by
- (2) the current ADM of the transferee school for the period in which the revenues are received.

However, for state tuition support distributions or any other state distribution computed using less than the total current ADM of the transferee school, the transferee school shall allocate the revenues to the transfer student by dividing the revenues that the transferee school is eligible to receive during the period by the student count used to compute the state distribution.

(h) Instead of the payments provided in subsection (b), the transferor corporation or state owing transfer tuition may enter into a long term contract with the transferee corporation governing the transfer of students. The contract may:

- (1) be entered into for a period of not more than five (5) years with an option to renew;
- (2) specify a maximum number of students to be transferred; and
- (3) fix a method for determining the amount of transfer tuition and the time of payment, which may be different from that provided in section 14 of this chapter.

(i) A school corporation may negotiate transfer tuition agreements with a neighboring school corporation that can accommodate additional

1 students. Agreements under this section may:

- 2 (1) be for one (1) year or longer; and
- 3 (2) fix a method for determining the amount of transfer tuition or
- 4 time of payment that is different from the method, amount, or
- 5 time of payment that is provided in this section or section 14 of
- 6 this chapter.

7 A school corporation may not transfer a student under this section
8 without the prior approval of the child's parent.

- 27 at the applicable rate prescribed in withholding instructions
- 28 issued by the department of state revenue.
- 29 (5) An individual is allowed to change an election made under

 33 SECTION 113. IC 36-3-7-6, AS ADDED BY P.L.135-2011,
 34 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 35 JANUARY 1, 2017]: Sec. 6. The governing body of a public library
 36 located in the county may recommend and the county fiscal body may
 37 elect to provide revenue to the public library from part of the certified
 38 distribution, if any, that the county is to receive during that same year
 39 under ~~IC 6-3.5-6-17~~: **IC 6-3.6-9**. To make the election, the county
 40 fiscal body must adopt an ordinance before November 1 of the
 41 preceding year. The county fiscal body must specify in the ordinance
 42 the amount of the certified distribution that is to be used to provide

revenue to the public library. If such an ordinance is adopted, the county fiscal body shall immediately send a copy of the ordinance to the county auditor.

SECTION 114. IC 36-4-3-4.2, AS ADDED BY P.L.228-2015, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4.2. (a) As used in this section, "infrastructure" means the capital improvements that comprise:

- (1) a sanitary sewer system or wastewater treatment facility;
- (2) a building and appurtenances;
- (3) a park or recreational facility;
- (4) a road, street, highway, or bridge; or
- (5) a water treatment, water storage, or water distribution facility.

(b) This section applies:

- (1) only to an annexation for which an annexation ordinance is adopted after June 30, 2015; and
- (2) if there is debt, evidenced by bonds, leases, or other obligations, that is outstanding on infrastructure on the date that the annexation becomes effective.

(c) This subsection applies if:

- (1) the municipality takes ownership of infrastructure located within the annexation territory, or part of an item of infrastructure, owned by the county; and
- (2) the outstanding debt is payable from property taxes or from revenue bonds or obligations.

The annexing municipality is liable to the county for reimbursements only if the municipality assumes ownership or partial ownership of the infrastructure. If the municipality assumes ownership or partial ownership of the infrastructure, the municipality shall reimburse the county for the appropriate share of the remaining debt that is payable by the county from property taxes or revenues. The county and the annexing municipality shall enter into an interlocal agreement under IC 36-1-7 regarding the allocation of the debt and reimbursement terms.

(d) This subsection applies if ~~a~~ **the** local income tax under ~~IC 6-3-5~~ **IC 6-3.6** has been pledged by the county to pay outstanding debt on infrastructure located within the county. To offset the change in local income tax distributions that will occur after the annexation, the annexing municipality is liable to the county for reimbursements in the amount that represents part of the outstanding debt on the infrastructure until the debt is fully paid. The amount that the municipality is required to reimburse the county is the percent of the total county income tax distribution that is indebted, multiplied by the amount of local income

1 tax revenue for the distribution year that is shifted from the county to
 2 the municipality as a result of the annexation.

3 (e) Reimbursements received by a county under this section shall be
 4 deposited in the appropriate debt service fund.

5 SECTION 115. IC 36-7-4-1318 IS AMENDED TO READ AS
 6 FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 1318. (a) A unit
 7 may not adopt an impact fee ordinance under section 1311 of this
 8 chapter unless the unit has prepared or substantially updated a zone
 9 improvement plan for each impact zone during the immediately
 10 preceding one (1) year period. A single zone improvement plan may be
 11 used for two (2) or more infrastructure types if the impact zones for the
 12 infrastructure types are congruent.

13 (b) Each zone improvement plan must contain the following
 14 information:

15 (1) A description of the nature and location of existing
 16 infrastructure in the impact zone.

17 (2) A determination of the current level of service.

18 (3) Establishment of a community level of service. A unit may
 19 provide that the unit's current level of service is the unit's
 20 community level of service in the zone improvement plan.

21 (4) An estimate of the nature and location of development that is
 22 expected to occur in the impact zone during the following ten (10)
 23 year period.

24 (5) An estimate of the nature, location, and cost of infrastructure
 25 that is necessary to provide the community level of service for the
 26 development described in subdivision (4). The plan must indicate
 27 the proposed timing and sequencing of infrastructure installation.

28 (6) A general description of the sources and amounts of money
 29 used to pay for infrastructure during the previous five (5) years.

30 (c) If a zone improvement plan provides for raising the current level
 31 of service to a higher community level of service, the plan must:

32 (1) provide for completion of the infrastructure that is necessary
 33 to raise the current level of service to the community level of
 34 service within the following ten (10) year period;

35 (2) indicate the nature, location, and cost of infrastructure that is
 36 necessary to raise the current level of service to the community
 37 level of service; and

38 (3) identify the revenue sources and estimate the amount of the
 39 revenue sources that the unit intends to use to raise the current
 40 level of service to the community level of service for existing
 41 development. Revenue sources include, without limitation, any
 42 increase in revenues available from one (1) or more of the

1 following:

2 (A) Adopting or increasing the following:

3 ~~(i) The county adjusted gross income tax.~~

4 ~~(ii) The county option income tax.~~

5 ~~(iii) The county economic development income tax.~~

6 **(i) The local income tax (IC 6-3.6-6).**

7 ~~(iv) (ii) The annual license excise surtax.~~

8 ~~(v) (iii) The wheel tax.~~

9 (B) Imposing the property tax rate per one hundred dollars
10 (\$100) of assessed valuation that the unit may impose to create
11 a cumulative capital improvement fund under IC 36-9-14.5 or
12 IC 36-9-15.5.

13 (C) Transferring and reserving for infrastructure purposes
14 other general revenues that are currently not being used to pay
15 for capital costs of infrastructure.

16 (D) Dedicating and reserving for infrastructure purposes any
17 newly available revenues, whether from federal or state
18 revenue sharing programs or from the adoption of newly
19 authorized taxes.

20 (d) A unit must consult with a qualified engineer licensed to
21 perform engineering services in Indiana when the unit is preparing the
22 portions of the zone improvement plan described in subsections (b)(1),
23 (b)(2), (b)(5), and (c)(2).

24 (e) A zone improvement plan and amendments and modifications
25 to the zone improvement plan become effective after adoption as part
26 of the comprehensive plan under the 500 SERIES of this chapter or
27 adoption as part of the capital improvements program under section
28 503(5) of this chapter. If the unit establishing the impact fee schedule
29 or formula and establishing the zone improvement plan is different
30 from the unit having planning and zoning jurisdiction, the unit having
31 planning and zoning jurisdiction shall incorporate the zone
32 improvement plan as part of the unit's comprehensive plan and capital
33 improvement plan.

34 (f) If a unit's zone improvement plan identifies revenue sources for
35 raising the current level of service to the community level of service,
36 impact fees may not be assessed or collected by the unit unless:

37 (1) before the effective date of the impact fee ordinance the unit
38 has available or has adopted the revenue sources that the zone
39 improvement plan specifies will be in effect before the impact fee
40 ordinance becomes effective; and

41 (2) after the effective date of the impact fee ordinance the unit
42 continues to provide adequate funds to defray the cost of raising

the current level of service to the community level of service,
using revenue sources specified in the zone improvement plan or
revenue sources other than impact fees.

SECTION 116. IC 36-7-7.6-18, AS AMENDED BY P.L.39-2007,
SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2017]: Sec. 18. (a) The commission shall prepare and
adopt an annual appropriation budget for its operation. The
appropriation budget shall be apportioned to each participating county

be paid from any of the following, as determined by the county fiscal
body:

- (2) Any other local revenue, other than property tax revenue,
received by the county, including local ~~option~~ income tax revenue
under ~~IC 6-3.5~~, **IC 6-3.6**, excise tax revenue, riverboat admissions

for this purpose.

(c) The county auditor shall:

- (1) advertise the amount of property taxes that the county fiscal
body determines will be levied to pay the county's portion of the
commission's appropriation budget, after the county fiscal body
determines the amount of other local revenue that will be paid
under subsection (b)(2); and
- (2) establish the rate necessary to collect that property tax
revenue;

in the same manner as for other county budgets.

(d) The tax levied under this section and certified shall be estimated
and entered upon the tax duplicates by the county auditor and shall be
collected and enforced by the county treasurer in the same manner as
other county taxes are estimated, entered, collected, and enforced. The
tax collected by the county treasurer shall be transferred to the
commission.

(e) In fixing and determining the amount of the necessary levy for
the purpose provided in this section, the commission shall take into
consideration the amount of revenue, if any, to be derived from federal
grants, contractual services, and miscellaneous revenues above the
amount of those revenues considered necessary to be applied upon or

reserved upon the operation, maintenance, and administrative expenses for working capital throughout the year.

(f) After the budget is approved, amounts may not be expended except as budgeted unless the commission authorizes their expenditure. Before the expenditure of sums appropriated as provided in this section, a claim must be filed and processed as other claims for allowance or disallowance for payment as provided by law.

(g) Any two (2) of the following officers may allow claims:

(j) Any appropriated money remaining unexpended or unencumbered at the end of a year becomes part of a nonreverting cumulative fund to be held in the name of the commission. Unbudgeted expenditures from this fund may be authorized by vote of the commission and upon other approval as required by statute. The commission is responsible for the safekeeping and deposit of the amounts in the nonreverting cumulative fund, and the state board of accounts shall prescribe the methods and forms for keeping the accounts, records, and books to be used by the commission. The books, records, and accounts of the commission shall be audited periodically by the state board of accounts, and those audits shall be paid for as provided by statute.

SECTION 138. IC 36-8-15-19, AS AMENDED BY P.L.137-2012,

1 SECTION 122, IS AMENDED TO READ AS FOLLOWS
 2 [EFFECTIVE JANUARY 1, 2017]: Sec. 19. (a) This subsection applies
 3 to a county that has a population of more than one hundred eighty-five
 4 thousand (185,000) but less than two hundred fifty thousand (250,000).
 5 For the purpose of raising money to fund the operation of the district,
 6 the county fiscal body may impose, for property taxes first due and
 7 payable during each year after the adoption of an ordinance
 8 establishing the district, an ad valorem property tax levy on property
 9 within the district. The property tax rate for that levy may not exceed
 10 five cents (\$0.05) on each one hundred dollars (\$100) of assessed
 11 valuation.

12 (b) This subsection applies to a county having a consolidated city.
 13 The county fiscal body may elect to fund the operation of the district
 14 from part of the certified distribution, if any, that the county is to
 15 receive during a particular calendar year under ~~IC 6-3.5-6-17~~.
 16 **IC 6-3.6-9.** To make such an election, the county fiscal body must
 17 adopt an ordinance before November 1 of the immediately preceding
 18 calendar year. The county fiscal body must specify in the ordinance the
 19 amount of the certified distribution that is to be used to fund the
 20 operation of the district. If the county fiscal body adopts such an
 21 ordinance, it shall immediately send a copy of the ordinance to the
 22 county auditor.

23 (c) Subject to subsections (d), (e), and (f), if an ordinance or
 24 resolution is adopted changing the territory covered by the district or
 25 the number of public agencies served by the district, the department of
 26 local government finance shall, for property taxes first due and payable
 27 during the year after the adoption of the ordinance, adjust the
 28 maximum permissible ad valorem property tax levy limits of the
 29 district and the units participating in the district.

30 (d) If a unit by ordinance or resolution joins the district or elects to
 31 have its public safety agencies served by the district, the department of
 32 local government finance shall reduce the maximum permissible ad
 33 valorem property tax levy of the unit for property taxes first due and
 34 payable during the year after the adoption of the ordinance or
 35 resolution. The reduction shall be based on the amount budgeted by the
 36 unit for public safety communication services in the year in which the
 37 ordinance was adopted. If such an ordinance or resolution is adopted,
 38 the district shall refer its proposed budget, ad valorem property tax
 39 levy, and property tax rate for the following year to the department of
 40 local government finance, which shall review and set the budget, levy,
 41 and rate as though the district were covered by IC 6-1.1-18.5-7.

42 (e) If a unit by ordinance or resolution withdraws from the district

1 or rescinds its election to have its public safety agencies served by the
 2 district, the department of local government finance shall reduce the
 3 maximum permissible ad valorem property tax levy of the district for
 4 property taxes first due and payable during the year after the adoption
 5 of the ordinance or resolution. The reduction shall be based on the
 6 amounts being levied by the district within that unit. If such an
 7 ordinance or resolution is adopted, the unit shall refer its proposed
 8 budget, ad valorem property tax levy, and property tax rate for public
 9 safety communication services to the department of local government
 10 finance, which shall review and set the budget, levy, and rate as though
 11 the unit were covered by IC 6-1.1-18.5-7.

12 (f) The adjustments provided for in subsections (c), (d), and (e) do
 13 not apply to a district or unit located in a particular county if the county
 14 fiscal body of that county does not impose an ad valorem property tax
 15 levy under subsection (a) to fund the operation of the district.

16 (g) A county that has adopted an ordinance under section 1(3) of
 17 this chapter may not impose an ad valorem property tax levy on
 18 property within the district to fund the operation or implementation of
 19 the district.
